You must provide an email address (or fax number) for enquiries from your webpage.

Please make sure you send as many of the following as possible.

- Logo – as file on disc, file emailed, printed reference (it must be a clear image and on a white background).
- Preferred colours – a list, printer's spec, printed example (screen colours are not the same as printed, so we will use the closest match).
- Other images – as file on disc, file emailed, photographic prints etc.
- Copy/text to appear on your page – this can include a paragraph or two of general text, a list of services or products, your philosophy or a combination of these. More details are in our Question and Answer sheet.
- List of Keywords and search engine Description.

If you need help with any of the above, or are unsure what is required please phone, we will be happy to help.

Please detail any of the above here and continue on the back or a separate sheet of paper if necessary, text and digital data may be sent on disc or emailed.
